MILITARY TRAINING AREAS
BOBRUYSK, USSR
BELORUSSIAN MD

Training Area A

25X1A

Training Area A (Bobruysk Army Maneuver Area, [REDACTED] (Figure 1) covers approximately 14,950 acres and is 3.5 miles (5.6 kilometers) southeast of Bobruysk at 53-05N 029-18E. Facilities include a tracked-vehicle driver training course, a bivouac area, extensive open areas for combat training, and a moving target tank firing range with a maximum distance of 4,700 feet from static firing line to target, nine 2,700-foot firing lanes, and four target runs.

line of 4,400 feet, ten 2,400-foot firing lanes, and six target runs.

25X1A

[REDACTED] revealed no change in the size of either area. Usage was fairly heavy during summer and fall and light during the winter. Two additional training areas observed on [REDACTED] TALENT photography--one covering approximately 1,300 acres at 53-11N 029-11E and the other covering approximately 1,135 acres at 53-09N 029-17E--have been returned to civilian use.

25X1A

Training Area B

25X1A

Training Area B is a 550-acre installation associated with Bobruysk Army Barracks West [REDACTED] 4 miles (6.4 kilometers) west-northwest of Bobruysk at 53-09N 029-07E. Facilities include a probable small arms firing range with a firing butt 1,000 feet from firing line and a moving target tank firing range with a maximum target distance from static firing

No artillery firing positions or impact areas, engineer-training or water-crossing training sites, or airborne or air transportability training facilities were observed. Both areas have good access roads but are not rail-served even though a rail line passes by the north edge of each. Other significant facilities in the vicinity are the Bobruysk airfield and [REDACTED]
